# GARDEN CITY UNIVERSITY JOINTLY ORGANIZES BUDS AND TEENS 2022

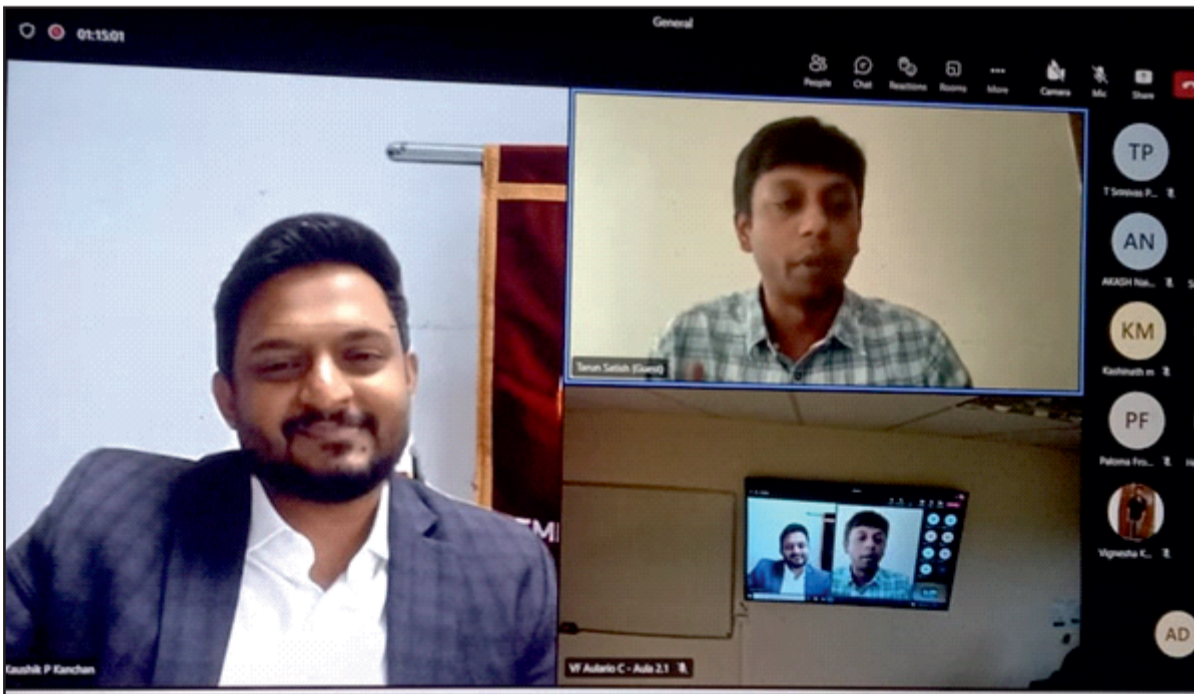

**13 November 2022, Bengaluru:** Garden City University in association with Mathrubhumi and Talent-The School of Arts organised Buds and Teens 2022, a colouring competition for children at Vidya Mandir, ITI Educational Institution K.R.

Puram, Bengaluru on Sunday. The session was graced by Honourable Chancellor of Garden City University Dr. Joseph V.G, Mr. Christo Joseph, Director, Strategy & Planning, GCU and Mr. Jajio Joseph, Syndicate Member, Bangalore North University.

The event saw participation across age groups of children as part of Children's Day celebrations and encouraged the young ones to immerse themselves in the world of colours and express their vision through the medium of art.

# INTERNATIONAL IMMERSION PROGRAMME ON E-SPORTS

**14 November 2022, Bengaluru:** Students from the School of Media Studies and Department of Computer Science attended an interactive session on 'What are E-Sports through the Indian Context?' organised in collaboration with the

Universidad Camilo José Cela (UCJC), Madrid, Spain on Monday 14 November 2022. The resource speakers were Mr. Tarun Sathish, Vice-President, Good Game Nation and Mr. Utkal Dash, Founder of Check and Mate who gave their insights into the world

of e-sports and its prospects in India. The session was moderated by Mr. Christo Joseph, Director - Strategy & Planning, GCU and involved the participation of students of the Department of Media Studies and Department of Computer Science.

# DESIGN THINKING WORKSHOP

**9 November 2022, Bengaluru:** As part of the interdisciplinary approach encouraged in Garden City University, a special lecture was conducted by Maj. Gen. Suresh, for the III MSIC students on 'Design Thinking for innovation – Military Perspective' at the GCU campus on 9th November 2022. The session was very informative on how the

process of Design thinking is applied in the military platform. The session was conducted. Live examples were quoted to make the session interesting and to impart experiential and participative learning. The students had a great experience and understood how design thinking can be applied to various aspects of life and career.

# INDUSTRY INTEGRATED TRAINING SESSION

**10 November 2022, Bengaluru:** The Department of Commerce and Management organized an industry integrated training session on Financial Planning and Analysis in association with Valenta AI Pvt Ltd in the Garden City University campus on Thursday, 08 November 2022. The

training session was conducted by industry experts to the V Semester BCMH, BCAF & BBAR and III M.Com finance specialization students as the audience present participated in an interactive session which informed them about the various skills involved in the process.
