FRESHERISM '22

theNow

12th - 30th September, 2022

WEEK 2

24 September 2022, Bengaluru: The momentum building towards the grand finale picked up with another energizing week of Freshers as it was filled with a multitude of activities and events such as dances, singing and fashion show. The events for the week were headed by Ms. Reshma Binu Prasad, Ms. Revathy, Mrs. Aruna, Mr. Kiran Kumar, Ms. Babli and Mr. Natesan. The freshers showcased their talent in all of the above

events with soothing songs, toe-tapping dance numbers and beatboxing.

The programme witnessed yet another galaxy of talented youngsters this week who came in as judges to score the events. Amongst them were Ms. Rashmi, a Bharatanatyam dancer, the winner of the International Book of records, Shiva Nandi award, Garuda excellence award, Thilai Nataraja award and the Rashtriya Natya Mayuri Natyarani Shanthala award. Ms. Sujata Deb, a trained

Hindustani Classical Musician, who has been the Weekly Final winner of Voice of Bangalore season 4, Semifinalist of Voice of Bangalore season 4, is also a proud alumni of Garden City College. Similarly, Ms Rithika, a Fashion designer and stylist, who has her own fashion brand and handloom export house, she too is a proud alumni of Garden City University. The beatboxing competition was judged by Hariharan S., famously known as Harry D' Cruz, a Thai flute Beat

boxer, a KBC champion, Grandmaster in the Asia Book of Records and one of India's finest talents. The core aspect of Freshherism events was on display this week as the students got to see not only the performances of their friends but also the young alumni achievers who have blazed their trail in the

respective fields. They are a motivation for our students to chase their dreams.

The week ended with the much awaited Freshathon, with the theme "Run for your health" which saw a huge turnout from a wide range of participants from within and outside the university.

FRESHATHON

Look Every way, Every Day

24 September 2022: Garden City University organized the much anticipated annual Freshathon 2022 with the theme 'Run for your Health' on 24th of September 2022. Participants turned up in large numbers as the whole event started in the early hours of the day with registration from 5.00 onwards as spot registration was also opened to the runners who turned up ready to tackle the 3 km as well as 6 km course. The event witnessed registration from students outside Garden

City university as well. Before the start of the run, a lively Zumba session was conducted by the students of the Department of Physiotherapy to warm up the participants.

The 6 km leg of Freshathon was flagged off first from the main gate of the Garden City University Campus at 6:30 am by Honourable Vice Chancellor Prof. Dr. G R Naik, Pro Vice Chancellor Dr. Vandana Hegde and CEO of Garden City University Lt. Gen. Ramesh Halgali. Likewise the 3 km

run was flagged off at 6:45 am. Ten separate aid stations were set up at various locations along both the routes. First aid and refreshments were provided at each station as well as car and ambulance facilities for emergency purposes along the path.

The winner of the 6 km event was Vishal from the Department of Forensic Science who completed the course with a time of 27:21 minutes and Syed Aslam from the Department of Commerce claimed the top prize in the

3 km run finishing with a time of 13:24 minutes. The top 10 finishers were awarded with medals in both the categories. The students and faculty of the Department of

Physiotherapy mentored the runners at the finish, after which refreshments were provided to all the participants at the food court.

ORTHOPAEDIC CAMP SET UP BY GCU PHYSIOCARE

22 September 2022, Bengaluru: As part of the anniversary, the Garden City University Physiocare wing under the Department of Physiotherapy organized a free orthopaedic camp under the guidance of Dr. G. Krishna Naresh Goud, an orthopaedic consultant specializing in arthroscopy and joint replacement surgeries and founder of Everest Clinic and Orthocare.

The camp started at 9.00

am and witnessed a good turnout as students, faculty and members of the public visited the GCU Physiocare for consultation and treatment. The counters were prepared for registration, vitals, BMI, BMD, orthopaedic consultation, physiotherapy consultation and treatment. Vice Chancellor of Garden City University, Prof. Dr. G R Naik and CEO of Garden City University Lt. Gen. Ramesh Halagali felicitated Dr. Naresh

Krishna Goud and BMD company with mementos after which they addressed the gathering on the importance of extension services, physiotherapy education and consultation to provide services to the community. The undergraduate and postgraduate students coordinated the conduction of the camps in different counters along with the NSS volunteers who helped to manage the crowd during the camp. The Physiotherapy students displayed models based on the World Physiotherapy Day theme. The camp came to an end at 3.30 PM. The camp was a great success due to the coordination of the faculty members AND students of Department of Physiotherapy, Department of Management Studies, the NSS team and non-teaching staff.

DEPARTMENT OF LIFE SCIENCES ORGANIZES ALUMNI TALK

22 September 2022: The Department of Life Sciences organized an alumni talk for undergraduate and postgraduate students by Ms. Bhagyashree Das, who was a part of the 2017-2022 batch. She is currently working with Biocon as a Clinical Data analyst. The session was about internships and placements for the final

year students as they participated enthusiastically. Ms. Bhagyashree emphasized the need for practical skills and basic knowledge for securing internships and placements with reputed organizations. She also highlighted the blooming areas of science like clinical data management, clinical research, bioinformatics and regulatory affairs.

DEPARTMENT OF FORENSIC SCIENCE CONDUCTS THREE DAY AUTOPSY VISIT

22 September 2022, Bengaluru: The Department of Forensic Science organized a three day Autopsy Visit at Victoria Hospital, BMCRI, KR Market from 20-22 September 2022. Over the course of the three days at the hospital, the students visited the Forensic Medicine and Toxicology Museum in BMCRI, followed by

demonstration of autopsies of medicolegal cases, decomposed cases and unidentified bodies. Students from the undergraduate and postgraduate programs of Forensic Science attended the Autopsy Visit led by the faculties of the department Dr. Mayuri Sahay, Prof. Sreenidhi, Prof. Arun Kumar and Prof. Sharon Jerome.

DEPARTMENT OF MANAGEMENT ORGANIZES INDUSTRIAL VISIT

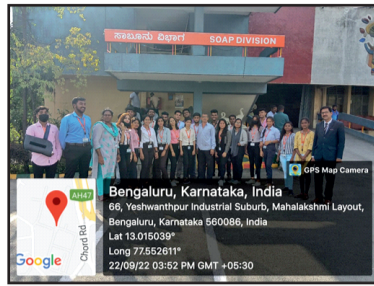

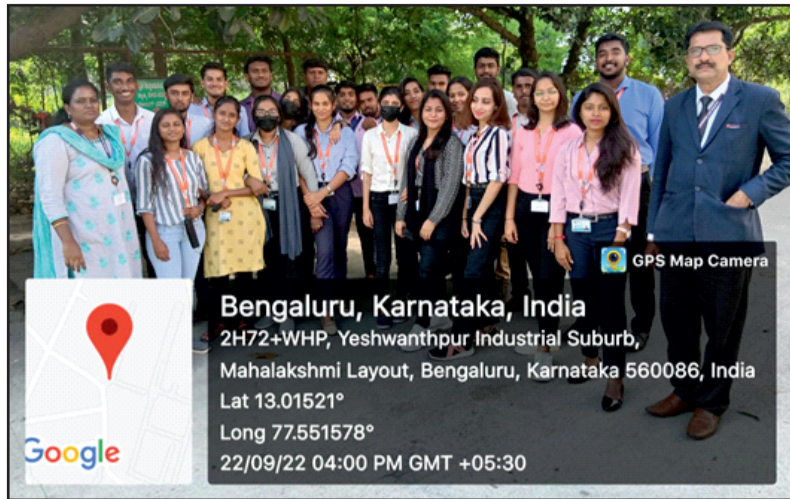

21 September 2022: The Department of Management conducted an industrial visit to the Nandini production factory, part of the Komul Cooperative Milk Producers' Societies Union Ltd., located at Kolar Chikkaballapur, Karnataka on 21 September 2022. The students from the BBAR

and BBAM programmes were accompanied by Prof. Shilpa and Prof. Nanthini. The industrial visit commenced at 12:30 pm and finished by 3:30 pm. The purpose of the industrial visit was to understand the different steps involved in the production process and the technological instruments

that were used in the Nandini Factory. The visit was a wonderful opportunity for the students who gained knowledge about the various production processes as they got first hand experience into the workings of such a large scale operation.

INDUSTRIAL VISIT BY DEPARTMENT OF COMMERCE

22 September 2022: The Department of Commerce from the School of Commerce and Management arranged an Industrial visit to Karnataka Soaps and Detergents Limited, Yeshwanthpur, Bengaluru, for the students

on Thursday, 22 September 2022. Students of III BCMH and III BCAF participated in the visit and learnt the plant layout and the process of production of the renowned Mysore Sandal Soaps and its market coverage in the

country and around the globe. Anchored by the Public Relation Officer of the company, the entire session was interactive and very informative for the visiting students.

INTER-DEPARTMENTAL LECTURE CONDUCTED ON TAXATION

21 September 2022: A series of guest lectures were arranged by the Department of Management, Garden City

University as part of an awareness drive of the history and evolution of taxation in India including implication on the tax

revenue of the government. Besides, the just evolution of taxation, the journey of taxation was discussed from the day it was introduced focusing on the different types of taxes that the country had and impact of those taxes on the revenue of the Government. The sessions were headed by Pro. Nataraj Chary B and Dr. Kanthimathinathan and were interactive wherein students were involved in the discussion with the speakers so as to have better understanding of the tax structure and to take it forward for the benefit of their future course of action. It was opined by the majority of students that the sessions were informative and more sessions of this kind are expected in the days to come.

great teeth, great smile,
great confidence!

WORKSHOP ON FORENSIC PSYCHOLOGY

23 September 2022: The Department of Forensic Science from the School of Sciences organized a workshop on the topic 'Forensic Psychologists At Work: Criminal Investigation'. The workshop was conducted by Ms. Joullyn Kenny, a Forensic Expert and Trainer based out of Mumbai. Pro Vice Chancellor of Garden City University Dr. Vandana Hegde, Head of Department of Forensic Science, Prof. Joemon K J and Dr. Mayuri Sahay were also present during the workshop.

The three hour workshop witnessed participation from both the undergraduate as well as

postgraduate students of the department of Forensic Science Bachelor's degree and Masters degree in Forensic Science. At first the basics of forensic psychology along with a few real time cases were also discussed during the session. The speaker Ms. Joullyn Kenny was experienced in covering the topic and also in conducting the workshop in an efficient and enjoyable manner as the students were able to perform certain activities related to the above mentioned topics. The session was very much interactive and knowledgeable for the students.
