TOP 100 FRESHERS INTERACT WITH HON. CHANCELLOR

10 October 2022, Bengaluru: As is tradition every year, the grand event Fresherism held to welcome the freshers into Garden City University ended with a high tea function where the top hundred freshers interacted with our beloved Chancellor Dr. Joseph V.G. It was indeed a moment of honour for the Freshers to meet our Chancellor during such an occasion. The high tea, where each fresher from the top hundred were invited, was addressed by our beloved Hon.

Chancellor Dr. Joseph V. G, who congratulated the Top 100 freshers and spoke to them about being part of the GCU family. He gave an opportunity for the students to ask him what they expected from Garden City University and express their views of what made up a good student. Hon. Chancellor addressed their queries, desires and aspirations in the following interaction and informed them of plans to form a club called as the Chancellor's Club, through which students would get

to meet eminent people who became successful in life, thereby giving the students a platform to get acquainted with renowned people of society and paving the way for students to work towards blazing their own trail in society. The evening was a cherishable experience for each student from the freshers batch who thoroughly enjoyed the interaction with Hon. Chancellor Dr. Joseph V.G during the program.

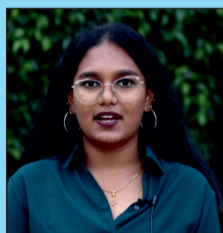

FRESHERS SPEAK

"My journey coming into GCU has been amazing till now. We have had fun-filled activities which I have thoroughly enjoyed. The acculturation programme helped us get to know the

university space better and gave a broader understanding of the different departments including ours. I look forward to my time here at GCU and expect to have the best time here!"

Riddhija Dutt
I BBAM

"I have understood during my short time already that being a Gardenian is all sorts of emotions wrapped into one bundle of joy. The opportunities provided over the past month during Fresherism has

helped me express myself and interact with my friends a lot more. I am sure I will have a great time here and I'm looking forward to taking part in all the events in GCU as well as getting involved in all the activities that take place on campus!"

Greeshma M Naidu
I BSFS

"Fresherism really took us for a ride as we were completely involved in the programs and enjoyed it to the maximum, especially the final day's program which was such a blast. It was a great honour to

meet Hon. Chancellor Dr. Joseph V. G who welcomed us warmly and encouraged us to get involved in all the activities. We received great support from our teachers and our friends and are looking towards more programs where we can participate and show our talents. The welcome has been superb and we cannot wait for the rest of our time here at GCU!"

SCHOOL OF MEDIA STUDIES ORGANIZES PHOTOGRAPHY WORKSHOP

LECTURE ON LEARNING OUTCOMES

03 October 2022, Bengaluru: The School of Commerce and Management organised a Guest Lecture on Learning Outcomes on 3 October 2022 in the GCU auditorium. The resource person was Dr. Rajasekhar Patil, Dean, School of Engineering, Garden City

University. The session was attended by students of the Department of Management and Commerce and the session focused on delving deep into understanding the concept of learning outcomes.

03 October 2022, Bengaluru: The School of Media Studies organized a Photography Workshop for students at the graduate and undergraduate level at Garden City University campus on 3 October 2022. The workshop session was conducted by GCU alumni Mr. Sayed Vaseem Akram who presented techniques of photography followed by a practical oriented workshop session for the students. The students got hands-on experience in various lighting techniques, photography setups and other photography practices relevant in the industry. The workshop got the students involved and aimed at helping the students gain awareness of the industry standards with respect to photography and also build an understanding in how to put their knowledge into practice.

GARDEN CITY PARTNERS WITH GARBHAGUDI INSTITUTE OF REPRODUCTIVE HEALTH AND RESEARCH PRIVATE LIMITED

06 October 2022, Bengaluru: Garden City University has entered into an industry-academia partnership with GarbhaGudi Institute of Reproductive Health and Research Private Limited (GGIRHR), which will assist and guide for On-The-Job (OJT) Training, Knowledge Transfer, Learning and Skill Building of Life Science

students who have been enrolled into the courses offered by the University, by signing a Memorandum of Understanding (MoU) on the 6th of October 2022, in the presence of our esteemed Vice Chancellor of Garden City University Prof. Dr. G R Naik, Registrar Dr. Sibi Shaji and the dignitaries of GGIRHR. The signing ceremony was

witnessed by faculty members, and students of the School of Sciences. The MoU specifically emphasises in the field of Clinical Embryology. The objectives of the partnership is to deliver the following programmes and activities:

- MSc Program in Molecular Science and

Human Genetics with Specialization in Clinical Embryology

- Postgraduate Diploma / Certificate Program in Embryology (1 year program)
- BSc Reproductive Science (3 years)
- Research Activities

CCU in collaboration with

GGIRHR will be developing the curriculum for the above programmes, in line with the progressive pathways for the trainees and map it according to UGC guidelines.

FILMMAKING COURSE LAUNCHED IN ASSOCIATION WITH EDISON FILM ACADEMY

28 September 2022, Bengaluru: The School of Media Studies at Garden City University has collaborated with Edison Film Academy (EFA) to explore the potential of films and the wealth of experience and

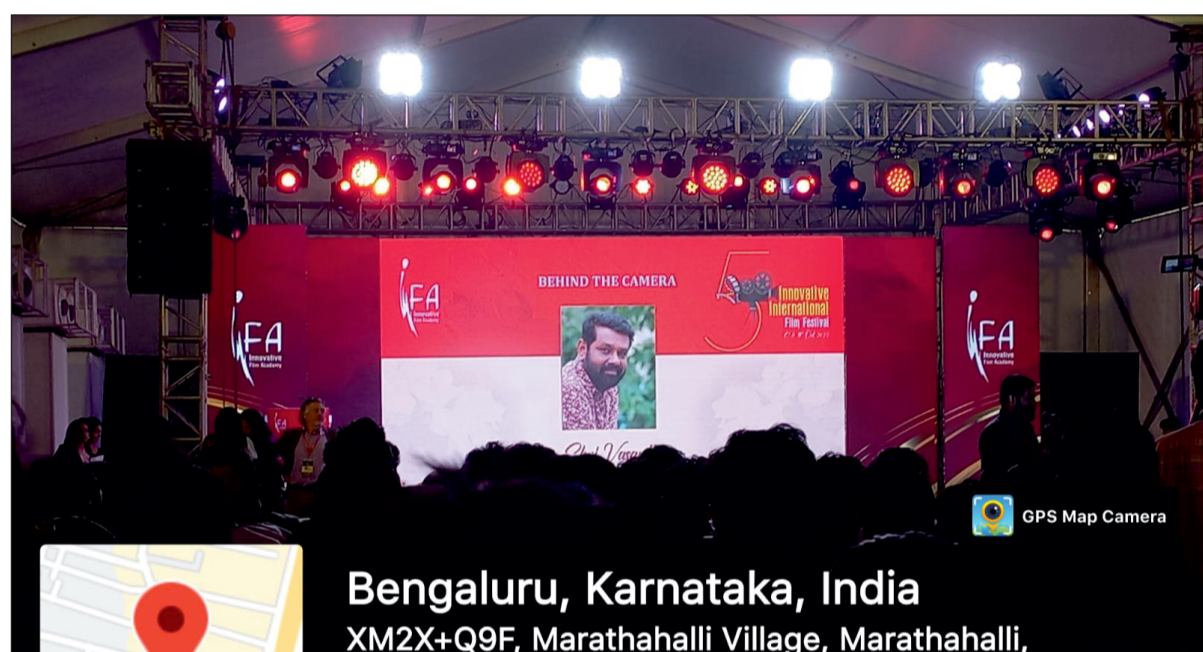

opportunities the industry holds for its students by signing a Memorandum of Understanding (MoU) on 28th September 2022, in the presence of the Registrar of Garden City University Dr. Sibi Shaji, Chairman of Edison Film

Academy Mr. Shrikanth H R, and faculty members of the School of Media Studies. As part of the MoU signed between GCU and EFA, Garden City University in association with Edison Film Academy is launching a short term certificate

course in filmmaking and digital marketing aimed at getting the filmmaker inside every student fired up. The short term course will help students get involved in the filmmaking process by taking them up close to the various

processes behind the camera at multiple locations and getting them involved in experiential learning of cinema at the highest level by industry experts.

an array of feature films, documentaries and short films from across the world handpicked by film experts as part of the festival showcase. The festival also witnessed talks and sessions by directors, producers, cinematographers and other filmmakers operating at the highest level of different film industries, who spoke about various aspects about films and exhibited a number of new age filmmaking techniques along with advice on how to move forward with a career in the film industry.

SKILL SHOW BY DEPARTMENT OF LIFE SCIENCES

07 October 2022, Bengaluru: The Department of Life Sciences conducted the skill show in the auditorium for the students of Garden City University on 07 October 2022 where nine different skills were exhibited by students from Bachelors in Life Sciences program. The skills were assessed by Prof. Reshma from the School of Indian and Foreign Languages. Through experiments and presentations, the students engaged the audience and had driven the importance of Life Science applications in daily life. Emphasis was given to skills such as, blood grouping and

transplantation, blue bottle reaction and rainbow reaction applied to diagnostic kits, entrapping enzymes and drug delivery, correlation of fingerprints with genetic errors. Science is the process that takes us from confusion to understanding in a manner that's precise, predictive, and reliable – a transformation, for those lucky enough to experience it, that is empowering and emotional. The session was led by Dr. D P Sudhakar, IQAC Director and coordinated by Ms. Sangeetha Y K, Faculty of the Department of Life Sciences.
